First Meeting of the season:

**Wednesday,
September 15th, 2004**

7:00 p.m.

@ VFW Route 202, Belchertown

Drop on by and HELP the CLUB with PARKING of CARS at BELCHERTOWN FAIR.....

The Parking of cars at the Town Hall on Fair day is the major fundraising event of the season for our club. This is what helps to keep our club running and active throughout the season. SO, please, if you are at the Fair already and you can spare some time, come on over to the Town Hall and help for just a short time or a long time. Even a short stay would give some of our members a much needed break to enjoy the fair themselves.

- FRIDAY: 4:00p.m. - 8:00p.m.**
- SATURDAY: 8:00a.m. - 8:00p.m.**
- SUNDAY: 10:00a.m. - 4:00p.m.**
- MONDAY: CLEANING UP THE COMMON (early start time of 7:00a.m.)**

Come and join us for a weekend of FUN. Please just come over and say hello for a minute if you can

All about RAFFLES....

One of the ways the Officers of your club manage to keep the regular monthly meetings as much fun as possible is by having a raffle at every meeting. Usually one or two members bring a donated item and sometimes we have “special” raffles. They are all fun and if anyone would like to donate please call any Board member. And, you don’t even have to attend a meeting to do this.

Thanks to all for helping.

Special Election at September Meeting:

There will be a special election for position of Treasurer at our regular monthly September meeting. This is not a big deal. We simply have one person whose responsibilities are changing and another member who would much enjoy being club treasurer.

So, we will be taking care of this order of business at our first meeting and this announcement is in order with the club by-laws.

see you all soon,

Dues = same as last year

The club dues and the cost of the SAM trail permits will remain at last year's rates. That is \$20 dollars club membership and a cost of \$30 dollars for each SAM trail permit with \$25 dollars going to SAM and \$5 dollars going to the club.

GPS and Maps

The club will be putting together a trail map this fall with a goal of being able to mail it out with the December mailing to all members. Some of our members will be GPS'ing our trails to help with this effort. This will also allow us to tie into the SAM trail map. Anyone wanting to help please let any Board member know.
