Our Events calendar needs your help:

The Board has put together a full calendar. We have an event for every weekend of the coming winter. We would like every event to have a sponsor or coordinator and we would like to have every event have a different sponsor or coordinator. If you or you and your friends would like to help with any event, please contact Larry at 533-4092. Every event is a fun event and just needs a little help from some of our members.
