Club meets Ski-Doo Promotion Goal....

Many, many thanks to all who helped our club reach the goal of turning in over 150 Ski-Doo certificates so our club could receive \$1500 dollars from Ski-Doo.

A special THANK YOU goes to Ray Racicot for his efforts to assure that we put this one “in the end zone”.

Ready for the TV raffle? --Come to the Party and you can have a chance at winning a new flatscreen TV!

It’s time for a Christmas Party...

“Ole Chris Kringle says it’s time for a party”

We have all been working hard on fundraising, writing the newsletter, trails and all the other business that it takes to run a club and now it is time to “kick back” and have an enjoyable and fun time at our annual “Christmas Party” meeting, so here we go.....

6:00p.m.—Doors open

6:30p.m.-- The evening will start with a delicious POT LUCK dinner.

7:30p.m.-- And, I promise we will have a VERY short business meeting.

8:00p.m.-- Our traditional “Chinese Auction” style raffle. Please all bring something new, something winter related, something snowmobile related and some fresh new items. Please bring them as “wrapped” or “unwrapped” gifts for this special raffle.
(tickets: arms length for \$5)

8:45p.m.-- We will also have as a special treat for this years’ party the raffling of a flat screen TV sponsored by the club. For this raffle everyone in attendance will get just one raffle ticket and then the drawing will take place.

*Merry Christmas to all.....
And....
To all a Happy New Year*

“Congratulations” to Tim Dziok for winning a Turkey Dinner for 6 at the November raffle.

Shown above are from left Owen Shattuck, Larry Tucker, Job Shattuck, Ed Morrin with photographer: Andy Katafiasz who worked to repair the “Bridge at Partridge Hollow” on the Trail North.

Please help with our charities.....

- 1)- Please bring some canned goods to our Christmas Party for donation to the Granby COA food Pantry
 - 2)- The club is also making a donation to the RICHARD FAMILY FUND to help this Monson family.
- If you have ideas, please call June @ 467-2416.

Trails, trails and more trails....

“It’s the time of year to join the trail crew and help with our trail projects”

Much has been Completed.....

- 1)The “Yamaha Tunnel” has been cleared and is open.
- 2)- The thorns behind the ballfield will not bother anyone this season.
- 3)- A big “thank you” goes to Frank Wenzel for his efforts “above and beyond” for leveling the RR bed from Rte. 181 up to three Rivers Rd.
- 4)- Bridge at Partridge Hollow on the trail North has been repaired and is now passable.

Much remains yet to be done.....

- 1)- Water spots on the trail to Granby need some serious help.
- 2)- The water spot behind the George Hannum Ball Field needs serious help.
- 3)- The water spot behind Munsell Rd. needs some serious work.
- 4)- The bad water spot under 202 needs some serious work.

Please, if anyone can help with any of these problem areas please call Larry at 533-4092.

Please all take a minute and just walk the trails and help pick up the “blowdown” or dead wood that needs to be cleared from the trails. The ground will be frozen soon, so please, if you can and are able, please take an hour during the week or on the weekend to get out and help with our trails. Remember; “many hands make light work”.

“THANK YOU” to all who help.....
