Time to check out that new sled?

Some pre-season thoughts -----

Snow's coming. Please join us at our next regular meeting and help plan the coming season. We need your ideas. Do you want more rides? Cookouts? Trail Work? Events? Club Decals? Raffles? Do you want slide shows at the meetings? Do you want a new trail? Please come on down, join us and make the coming season even more fun. The Board works hard to keep everything fun, but we need you to keep the fun happening. Please note the new time of the meeting for this month only. Also, check out our expanding **CLASSIFIEDS** list in the newsletter and on our website and don't forget, the web site has pictures of the sleds for sale. We will also be having a **BIG TURKEY** raffle at the meeting, so join us and you could win dinner for six. If you have ideas for the trails or wish to help, then please share those ideas with us. Also, would you like to get involved with local TV channel 15 and help get a snowmobile video on air? Please call Larry @413-533-4092.

Reminder ----- Trails ????????

Fall is the time of year when we get our trails ready. Trail projects will be starting in October. Please listen to the SNOW-PHONE for information. The trail crew meets at Hawley's on Sunday mornings. Breakfast at 7:30 and onto the trails at 8:00am. This season more than in the past, the trail committee needs your help with some "key" permissions. The Farm on Cold Spring and the Rte21 - Rte. 202 crossing are two areas we could use some help on. Also, if you know of an important project that needs to be done, please give Jim a call @ 323-5559 and let him know about it and we'll get some help and work it into the schedule.
